Net debt of town Feb. 15, 1915	16,795.38
Increase of debt	<u>\$ 737.59</u>

This year's business shows a loss of \$737.59, which is accounted for in the following manner:

In making up the statement of liabilities in 1913, one note of \$1,000.00 was inadvertently left out. This has only recently come to light and is corrected in this report.

It has been necessary to abate to the Woodbury-Piehler Fur Ranch Company the sum of \$770.83.

Otherwise a reduction of the debt would have been shown.
